Criteria for getting or renewing the FGC pensioner's card:

Only people who are registered as living in a municipality in the province of Lleida can get or renew the FGC pensioner's card.

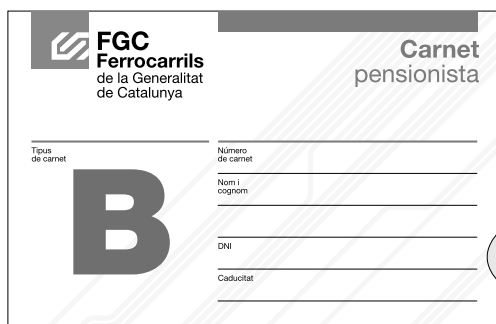

The form is titled "FGC Ferrocarrils de la Generalitat de Catalunya" and "Carnet pensionista". It features a large letter "A" in the center. To the left of the "A" is the text "Tipus de carnet". To the right of the "A" are several horizontal lines for personal information, labeled "Número de carnet", "Nom i cognom", "DNI", and "Caducitat".

Pensioner's card A

- **People aged 65 or over** with personal income* (pensions, assistance, private income, etc.) less than the public income index (IPREM).

- **People aged under 65 with 33% or higher degree of disability** and personal income* (pensions, assistance, private income, etc.) less than the public income index (IPREM).

The form is titled "FGC Ferrocarrils de la Generalitat de Catalunya" and "Carnet pensionista". It features a large letter "B" in the center. To the left of the "B" is the text "Tipus de carnet". To the right of the "B" are several horizontal lines for personal information, labeled "Número de carnet", "Nom i cognom", "DNI", and "Caducitat".

Pensioner's card B

- **People aged 65 or over** with personal income* higher than the public income index (IPREM) but less than twice the IPREM.

- **People aged under 65 with 33% or higher degree of disability** and personal income* higher than the public income index (IPREM) but less than twice the IPREM.

People with personal income more than twice the IPREM, even if they meet the other requirements, cannot have either of the two FGC pensioner's cards.

**Personal income is calculated by dividing the joint income of the family unit (spouses and children aged under 18) by the number of members.*
